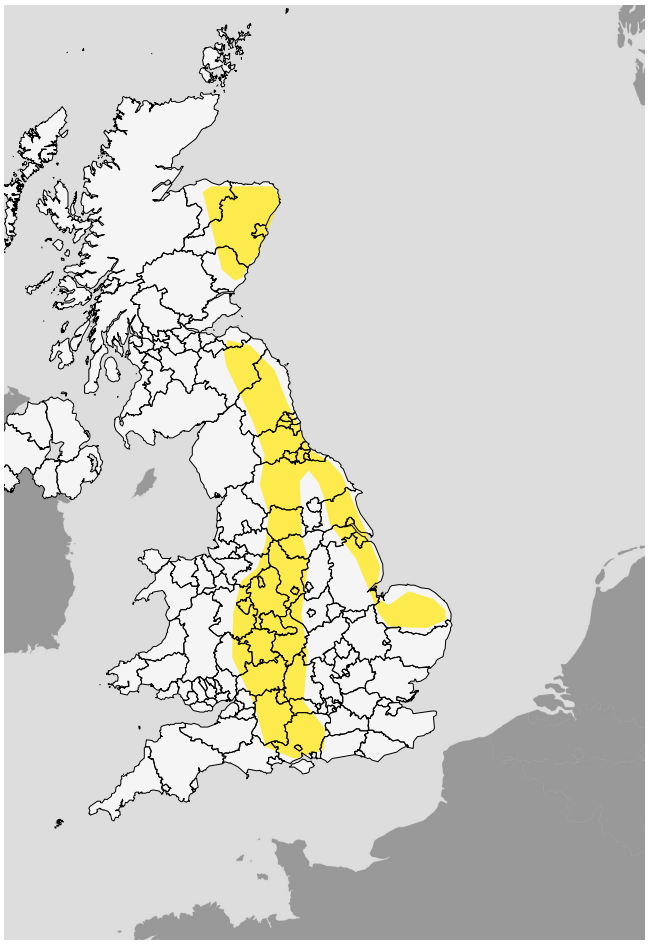
Yellow warning
Ice

Between
15:00 Sun 28 Nov 2021 and
10:00 Mon 29 Nov 2021



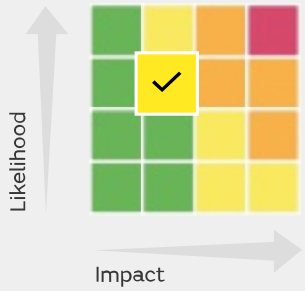
Surfaces may become icy in places on Sunday night and early Monday, making for tricky travel.

What to expect

- Probably some icy patches on some untreated roads, pavements and cycle paths, making accidents more likely and journey times longer
- Icy surfaces likely, increasing the risk of slips and falls

Further details

Showers or longer spells of sleet and snow should tend to clear this evening. As skies clear, a widespread frost will develop, leading to the chance of icy surfaces in these areas, and also where lying snow has partly melted during the day.



Medium likelihood of low impacts

Issued at 10:06 Sun 28 Nov, 2021
